

Recognition of Prior Learning Session

BECIL organized a 'Recognition of Prior Learning' (RPL) session, in association with the IASC, to align the competence of the unregulated workforce employed in the following areas:

- (i) DTH Set top Box Installer and Service Technician
- (ii) DAS Set top Box Installer and Service Technician

The objective was to align the competencies of the unregulated workforce to the standardized National Skills Qualification Framework and to enhance their career/employability opportunities as well as provide them with alternative routes to higher education by certification.

This session was held on 28/29.03.2017 at Broadcast Engineering Consultants (I) Ltd, C-56, A/17, Sector-62, NOIDA-20307
