INTRODUCTION

Broadcast Engineering Consultants India Limited (BECIL) an ISO 9001:2008 certified, Mini Ratna, public sector enterprise of Government of India under Ministry of Information & Broadcasting was established on 24th March, 1995 for providing consultancy services of international standards for broadcasting in transmission and production technology including turnkey solutions in the specialized fields of Terrestrial & Satellite Broadcasting, Cable and various IT related fields, including acoustics & audio-video systems.

BECIL also undertakes operation and maintenance of broadcast stations of all types and descriptions. BECIL has a pool of in-house expertise and vast reservoir of experts drawn from various fields in broadcasting. It has been constantly improving its skills to keep itself abreast with the latest technology. In addition to the projects operation and maintenance of broadcast systems, BECIL also provides training and undertakes placement of technical manpower and experts to various departments in India for development as well as operation of broadcasting set up of all types.

BECIL client list includes Government, Semi Government, Overseas and Private organizations. It has many firsts to its credit like establishment of first teleport in India, first to establish infrastructure, first to set-up multi channel FM transmission in India combining up to 7 FM channels at Bengaluru, first to design and establish HDTV studio set-up for Presidential Secretariat and Lok Sabha TV, to name a few.

REGIONAL OFFICE

BECIL is also operating from its Regional Office, Bangalore headed by Manager with 4 Junior Managers.

MANAGEMENT & ORGANISATION

The Board of Directors comprises of full-time Chairman & Managing Director, whole time Director (Operations & Marketing) and two Directors nominated by the Government of India and One Independent Director. Below Broad level there is One General Managers, who in turn are assisted by middle and junior managerial officers. External expertise, wherever found necessary, is obtained through contractual engagement of Consultants and Project Managers.

OUR VISION

To be a world class consultancy organization recognized as a "BRAND" in the specialized fields of Broadcast Engineering & Information Technology and infrastructure development for total project solution in India and Abroad
