For BECIL

(b) The buyer is to ensure that vehicles deputed for disposal should report for loading during 10.00 a.m. to 04.00 p.m. in such a manner that requisite time is available for loading and vehicles are released before the closing of the working hours. No loading shall be permitted beyond working hours. No vehicle shall be permitted to be parked inside the premises except during the time of loading.

(c) If the original buyer wish to take the delivery of goods purchased through a representative, he must authorize him by a letter of authority which shall be presented to the office. Such officer may in his entire discretion decline to act on any such authority and it shall be in all cases for the buyer to satisfy such officer that the authority is genuine. Delivery by proxy/representative shall be at purchaser's sole responsibility and no claim shall lie against BECIL on any account whatsoever if delivery is affected to a wrong person.

(d) The material will have to be removed on **"As is where and Clean Sweep Basis"** at the buyer's own cost and expenses. No processing other than dismantling as may be required for convenient transportation will be permitted at the sole discretion BECIL. The buyer shall not be provided with any man power or equipment including Dozer, Scrapper, Cranes, Gas, Power, Water for other facilities by the occupier. The buyer has to arrange for any of these at their own cost and the shall take prior permission from BECIL for this purpose. While removing some material, the other personnel/material should not be disturbed/damaged.

(e) No extension of time limit stipulated in condition will be granted under normal circumstances. However if the purchaser desires and extension due to unavoidable circumstances in the execution of acceptance order, he shall apply in writing within a period of five days of the date of such circumstances to BECIL and if satisfied about the reasonableness of the grounds may grant any such extension of time as may be necessary, proper and binding on the purchaser.

(f) Dismantling and transportation of the material shall be the responsibility of the buyer at his own cost and risk, taking all safety precautions.

(g) The buyer will arrange to remove the materials sold to them and clear the site within the stipulated period mentioned in Work Order. If the items/materials are not disposed of within the time and date given in the acceptance order issued, BECIL may resell the items at the time buyers risk and cost. The decision of the BECIL shall be final. The buyer shall also be liable to pay penal charges at the rate of 1% of cost of tendered amount per day to BECIL on the quoted value for the remaining items etc. lying in premises un-cleared.

(h) if any time, after the sale order is issued, occupier wants to retain any item/items for the purpose of the running plants, the buyer should agree to it and necessary deduction will be made from the sale order value, as per occupier assessment which shall be binding on the buyer.

For BECIL

c) Gas cutting work to be carried out by the buyer in course of dismantling work etc. will be allowed only under expert supervision. Buyer's supervisory personnel will ensure that all safety precautions have been taken including those for prevention of fire in and around the area.

d) All arrangements of dismantling, removal, loading and transportation of the sold material have to be made by the buyer himself. The BECIL do not take any responsibility for providing oxygen/DA cylinders or any other consumable to the buyer for dismantling job.

e) In case of any accidents resulting in the partial or full disablement or death or workers employed on dismantling, the successful purchaser will have to pay necessary compensation under workmens's compensation act.

f) The purchaser/buyer will not disturb sewer lines, compound wall, building, pathway and manholes and also shall be made good by the purchaser at his expenses.

g) The purchaser will be governed by the Labour Regulation including workmen's compensation act in force.

10. General terms and conditions of the contract:

a) The time schedule is to be strictly adhered to, since this is time bound work, a serious view will be taken towards delaying removal/disposal of material.

b) The rates should be quoted both in words and figures.

c) Firms backing out after participating in the tendering process shall be liable to debarment or black listing from BECIL and EMD will also be forfeited.

d) Conditional rates or terms attached with the rates will not be accepted and all such rates will be rejected out rightly.

e) In case of any dispute, the decision of BECIL will be treated as final.

f) The rates should be kept valid for 90 days from the dated of opening of the tender.

g) The firm will have to strictly follow all the Terms & Conditions mentioned in the tender notice.

h) BECIL reserves the right to accept or reject the tender at any time/stage or relax/amend/withdraw any of the terms and conditions contained in the tender documents without assigning any reason thereof. Any enquiry, after submission of the bid shall not be entertained. In case of withdrawal of bid, the EMD will stand forfeited.

i) The tenders received after scheduled date and time will not be accepted.

j) All disputes shall be subject to Delhi Jurisdiction only.

11. Arbitration

Any dispute or difference or claim arising out of or in relation to this contract, including the construction, validity, performance or breach thereof, shall be settled or decided by arbitration to be conducted by CMD, BECIL or by any other person to be nominated by CMD, BECIL. Arbitration shall be conducted as per Arbitration & Reconciliation Act, 1996. The seat of the arbitration shall be at New Delhi. The agency must ensure that there is no legal action/dispute
