1	AeoLogic Technologies Pvt. Ltd.	1	Cover Page & Notice Inviting EOI, Clause 1, Page 1 & 6	Cover page / MoU covering letter refers to “EOI No. BECIL/Centralized Empanelment/2026/5483/03 dated 04/08/2026”, whereas Clause 1 of the Notice Inviting EOI (Page 6) and Annexures 3, 4, 5 & 9 refer to “EOI No. BECIL/Centralized Empanelment/2025/14”.	Please confirm the correct and single EOI reference number applicable to this tender, and issue a corrigendum correcting all annexures accordingly.	Two different EOI numbers appear in the same document, which may create ambiguity while quoting the EOI number in the covering letter, DD, and other submissions.		"EOI No. BECIL/Centralized Empanelment/2025/14" read as "EOI No. BECIL/Centralized Empanelment/2026/5483/03 dated 04.08.2026"
		2	Annexure-9 (MSME Undertaking), Page 63	The MSME Undertaking format at Annexure-9 refers to “Supply of RFID Enabled Smart Card and Printing of Smart Card with hologram lanyard and PVC Card holder”, which is unrelated to the scope of this EOI (Manpower Outsourcing Services).	Kindly issue a corrected Annexure-9 format aligned with the scope of work defined in Clause 2.2 of this EOI (Manpower Outsourcing Services).	The clause appears to be carried forward from an unrelated EOI/tender and does not match the subject matter of the present EOI, causing confusion for bidders while executing the undertaking.		Annexure 9 , Page No. 63, Para 2 read as BECIL thgrough this EOI No. BECIL/Centralized Empanelment/2026/5483/03 dated 04.08.2026 intent to empaneled agency as per the clause 2.2 " Scope of Work " mentioned at Page No. 8
		3	Annexure-3 & Annexure-4 (Covering Letter / Bid Submission Form), Pages 53 & 55	Address for BECIL mentioned as “Noida – 201301”, whereas the Cover Page, Notice Inviting EOI and other clauses (e.g. Clause 3.4.6.1) mention the Corporate Office address as “Noida – 201307”.	Please confirm the correct pin code/address of BECIL’s Corporate Office, Noida, to be used for correspondence and bid submission.	Inconsistent addresses across the EOI document may lead to incorrect addressing of bids/DDs by bidders.		Correct adress is read as BECIL Bhawan -C56/A17, Sector-62 ,Noida, U.P.-201307
		4	Annexure-2 (Check List) Sl. No. 17 vs. Annexure 1A to 1F (Turnover Criteria), Pages 39-50 & 52	Annexure 1A to 1F (Pre-Qualification Criteria) require average annual turnover for the “previous Five (05) financial years ending 31 March 2025”, whereas the Check List at Annexure-2 (Sl. No. 17) requires Audited Balance Sheet/P&L only for the “last 3 (Three) Financial Years (2022-23, 2023-24 and 2024-25)”.	Kindly clarify whether turnover/net worth is to be computed and documented for 3 financial years or 5 financial years, and align the Check List and Annexure 1A-1F accordingly.	The mismatch between 5-year turnover/net-worth criteria and the 3-year document requirement in the Check List creates ambiguity in the number of years’ financial statements to be submitted.		Checklist Sr. No. 7 read as certificate from the Statutory Auditor /CA on Turnover details along with Audited & Certified Balance Sheet & Profit/Loss Account for the last 05 (Five) Financial years (2020-21, 2021-22, 2022-23, 2023-24 & 2024-25)
		5	Section-3, Clause 3.9 – Empanelment Fee, Page 15	Section 6.2.2 (Stage-1 of Evaluation, Page 19) refers to “Empanelment Fee mentioned in Clause no. 3.10.1”; however, the fee table appears under Clause 3.9, and there is no Clause 3.10.1 in the document.	Kindly confirm the correct clause number governing Tender Fee/Empanelment Fee amounts, and correct the cross-reference at Clause 6.2.2.	Incorrect internal clause cross-referencing may cause confusion during bid preparation and evaluation.		Clause No. 3.10.1 at Page No. 19 of this EOI read as Clause 3.9 (Empanelment Fees)
		6	Section-3, Clauses 3.11 to 3.17, Pages 16-17	Sub-clause numbering under Sections 3.12 (Deviations), 3.14 (Due Diligence), 3.15 (Clarifications) and 3.16 (Taxes & Duties) is shown as 3.11.x, 3.13.x, 3.14.x and 3.15.x respectively, instead of matching their parent clause numbers.	Kindly issue a corrigendum with corrected sequential sub-clause numbering for Sections 3.11 to 3.17.	Mismatched sub-clause numbering makes it difficult for bidders to accurately reference specific provisions in pre-bid queries and bid documents.		Typographical Error Sr. No. may be changed accordingly.
		7	Annexure-1A to 1F, Sl. No. 9 – Deployed Manpower Strength, Pages 40-50	The criterion requires bidders to have “deployed Manpower Strength on its Payroll as on bid submission date” without specifying whether this means the bidder’s total company-wide employee strength or specifically manpower deployed under similar (manpower outsourcing) contracts with clients.	Kindly clarify whether “deployed manpower strength” refers to (a) total employees on bidder’s payroll across all business verticals, or (b) manpower specifically deployed under manpower-outsourcing/staffing contracts with clients, and the supporting document (e.g., CA certificate / PF-ECR) required to substantiate the same.	Ambiguity in this criterion may result in inconsistent claims/evaluation across bidders.		Annexure-1A to 1F, Serial No. 9 " Deployed Manpower Strength" maens manpower specficlly deployed under manpower outsourcing/staffing with clients
		8	Section-7, Clause 7.4.1 – Empanelment Period, Page 21	The clause states empanelment “shall be for a period of Two (02) Years and extendable annually for a further period upto three (03) years.” It is not clear whether the maximum total empanelment period (including extensions) is 5 years (2+3) or whether “upto three years” is inclusive of the initial 2 years.	Kindly clarify the maximum total tenure of empanelment (initial period + extension(s)) in unambiguous terms.	Ambiguous wording may affect bidders’ assessment of the empanelment tenure and consequent business planning.		As per EOI

			9	Section-3, Clause 3.4.2(a)(i) & Bid Submission Form (Annexure-4), Pages 11 & 56	Clause 3.4.2(a)(i) and the fee table under Clause 3.9 refer to “Tender Fee” and “Empanelment Fee”, whereas Annexure-4 (Bid Submission Form, Sl. No. 13) separately asks for particulars of “EMD”.	Kindly confirm whether “EMD” in Annexure-4 is the same as the “Empanelment Fee” referred to elsewhere in the EOI, or a separate/additional instrument, and if separate, specify its applicable amount and validity.	Use of differing terminology (EMD vs. Empanelment Fee) for what appears to be the same instrument may cause bidders to submit incorrect/insufficient instruments with their bid.		EMD fees is read as Empanelement fees
			10	Tender Schedule & Page 6	Last date and Time for Submission of bids	Last date and Time for Submission of bids. 25-08-2026 up to 15:00hrs	Request for submission date extension by two weeks.		See Corrigendum 4
			11	Section-3, Clause 3.4.3, Page 12	The clause requires the bid envelope to be superscribed mentioning “project value categories”; however, it is not clear whether a bidder wishing to apply for empanelment under more than one financial category (Annexure 1A to 1F) is required to submit separate physical bid sets/envelopes, separate DDs for Tender Fee and Empanelment Fee for each category, or a single consolidated bid covering multiple categories.	Kindly clarify the process, including number of sets, envelopes and fee instruments required, for a bidder applying under multiple financial categories (e.g., Annexure 1C and 1D) in a single EOI response.	Absence of clarity on multi-category applications may lead to procedural rejection of otherwise eligible bids.		Bidders are required to apply for higher category as per their eligibility.
			12	Annexure-9 (MSME Undertaking) read with Clause 9.3.2, Pages 37 & 63	Clause 9.3.2 and Annexure-9 require the bidder to waive its rights under the MSMED Act, 2006, including the right to claim interest on delayed payments, as a pre-condition for empanelment/participation.	Kindly clarify whether this waiver is mandatory for all bidders (including those registered as Micro/Small Enterprises) or applicable only where payment to BECIL itself is contingent on receipt from the Client, and whether such blanket waiver is compliant with the MSME Act, 2006.	A blanket contractual waiver of statutory rights under the MSMED Act may not be enforceable in law and may deter eligible MSE bidders from participating.		As per EOI
			13	Annexure-15 (Performance Bank Guarantee format), Pages 90-91	The BG format contains blank fields for “VALIDITY” and does not explicitly state the minimum validity period to be filled in, whereas Clause 7.2.3 (Page 21) specifies validity of Security Deposit as “2 years with additional claim period of 6 months, beyond the contract/MoU end date.”	Kindly confirm that the BG validity to be filled in Annexure-15 should be aligned with Clause 7.2.3 (i.e., contract/MoU period + 6 months claim period), for uniform preparation of the BG by all bidders' bankers.	Absence of a fixed validity period in the BG format may lead to variance in BG validity submitted by different bidders.		As per EOI
